- Activate a red break glass – there will be one at the fire exit from the flat or adjacent to the final exit door
- Leave the building immediately by the nearest available fire exit
- Where possible, close all doors behind you to prevent the spread of fire – do not lock them – but don’t delay
- Do not use the lift – lifts automatically go to ground floor and will not operate when the alarm sounds
- Call the Fire Brigade from the nearest telephone – using 999 (if you are off campus) or dial 020 7882 3333 to report to the Security Service
- Report to the assembly point (The location can be found on the emergency action notice adjacent to the manual fire alarm call points or on the back of the room doors), give your room number when the roll call is taken (residential guests) and remain there until the all clear is given by the Security Service
